

WAX WRAPPERS

WAX PACK FOLDING & SEALING INSTRUCTION SHEET

STEP 1

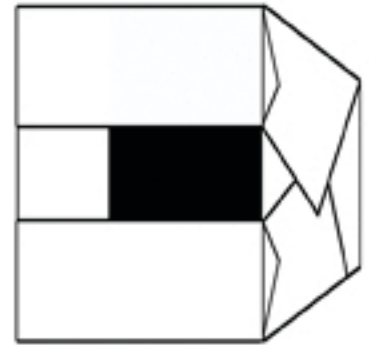

Place cards in center of wrapper.

STEP 2

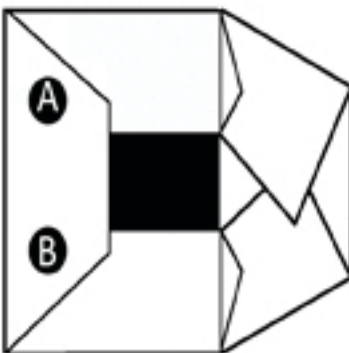

Fold top and bottom of wrapper over top and bottom of cards.

STEP 3

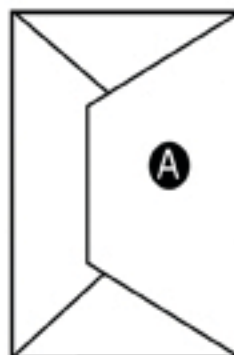

Fold top and bottom corners of wrapper at a 45° angle. Using a finger or a bone folder, crease the folded edge.

STEP 4

Rotate packet and use forefinger (A) and thumb (B) to hold folded flap closed. Fold top and bottom corners in the same manner as in Step 3.

STEP 5

Fold over the second (top) flap. Usually this will be the flap with your card set information, promotional message or extra artwork. Hold flap closed with forefinger (A).

STEP 6

Using your clothing iron, quickly press it onto the open top flap. It only takes a second to seal. Be very careful using a hot iron and be sure to unplug it when you're done, don't just turn it off.
